Dear Mr. Haney:

This response is in regards to your compliance inquiry letter dated March 31, 1986, in which you point out an apparent violation of 35 ILL Adm. Code Part 725, Subpart G, Storage Area Closure Plan.

We do not, at this time, wish to close our storage area. We would like to remain in our current status as a generator and T.S.D. facility subject to the rules and regulations of the I.E.P.A.

If you have any questions regarding the above, please contact me at any time.

Yours truly,

Dennis Milby
